School Attendance Policy

Rationale:

The Department of Education document *'Miss School = Miss Out Improving Pupil Attendance Strategy (Dec '16)* highlights **'Attending School regularly is important for all pupils because of how their attendance can affect their educational attainment and their subsequent life chances.'** The Governors and staff of Holy Trinity College are committed to providing a full and effective education for all our pupils to ensure they achieve their full potential. We work together to encourage in our pupils positive attitudes and we promote an ethos and culture which encourages good attendance and where each pupil will feel valued and secure. Academic success in school is interdependent with good attendance and pupils will achieve their full potential and be happy members of the school community if they attend school each day.

The Department of Education document *'School Attendance Matters A Parent's Guide'* highlights **'Young people who regularly miss school without good reason are more likely to become isolated from their friends, to underachieve in examinations and/or become involved in anti-social behaviour.'**

Pupils, parents and teachers work together to maintain high standards of attendance. Our school aims to achieve good attendance by operating an Attendance Policy within which staff, pupils, parents and the Education Welfare Service can work together in partnership. All staff will encourage punctuality and good attendance.

DE's Policy for School Improvement *'Every School a Good School' April 2009*; states that every school should ensure that **'...a culture of achievement, improvement and ambition exists – with clear expectations that all pupils can and will achieve to the very best of their ability'**. This policy emphasises the important link between good attendance and academic success.

The Department of Education document *'School Attendance Matters A Parent's Guide'* highlights **'Excellent attendance at school is important to allow a child or young person to fulfill their potential.'**

All staff have responsibility for pupil attendance in school.

Aims:

In Holy Trinity College, we aim to foster positive attitudes towards education and encourage pupils to value the importance of good attendance and punctuality.

- At Senior Leader Team meetings, review Year Group attendance percentages.

Role of the Education and Welfare Officer

It is the responsibility of the Education and Welfare Officer to:

- Develop an effective partnership with the school in dealing with pupil welfare/attendance.
- Actively promote good attendance and punctuality in the school.
- Monitor the attendance of pupils.
- Liaise with the Head of Year in matters of pupil welfare and attendance.
- Provide accurate information on individual attendance as required by the school/outside agencies

Education Welfare Service

Education and Library Boards through the Education Welfare Service have a legal responsibility to make sure that parents meet their responsibility towards their child's education. Regular attendance is an essential requirement for educational results and where attendance difficulties exist or a pupil's attendance falls below 85%, Education Welfare Service (EWS) will support staff and parents in developing and implementing strategies to address or improve school attendance.

Monitoring Pupil Attendance - Lesson Monitor

Staff monitor lesson attendance through the use of the computerised SIMS system 'Lesson Monitor'. This programme allows each class teacher to mark the attendance register at the beginning of each lesson a Coding System.

Through Lesson Monitor, teachers can check pupils' attendance from the previous lessons. If a pupil is absent from the current lesson, without a valid reason, the teacher will email the pupil's Form Teacher or Head of Year. The class teacher will record an N code in Lesson Monitor. The Form Teacher or Head of Year will follow up on the absence.

A pupil should only be absent from class if the reason is authorised. An authorised absence will be indicated by a comment on Lesson Monitor. Authorised absences are recorded as a morning or afternoon and include acceptable reasons such as illness, bereavement, attendance at a medical or dental appointment.

Unauthorised absences are those which the school does not consider reasonable and for which no permission has been given. These include:

- Mithing
- Shopping
- Baby Sitting
- Absences which have not been properly explained

The office Staff will record an S code (Study Leave) in Lesson Monitor for pupils who are doing Public Examinations in Years 12, 13 and 14 during the examination period. Study Leave (Code S) will not be used for internal examinations or in advance of the commencement of the examination timetable.

Positive Measures to Encourage Good Attendance

The pastoral structure within the school places a high priority on the integration of the pastoral and the academic. The focus is on learning so that good attendance and behavior are expected, rather than taught, with expectations being high.

- Class registers will be completed accurately by staff at the beginning of each lesson
- From September 2017, we will increase the profile of attendance at whole school level through communication with parents, posters, assemblies and reward attendance initiatives
- Introduction of signage with our top-achieving pupils at GCSE and A Level with their respective percentage attendance figure. (September 2017)
- Form Teachers will monitor pupil's attendance through Lesson Monitor
- Attendance will be closely monitored by Heads of Year and Key Stage
- Points will be allocated in the Behaviour module in SIMS for full monthly attendance (See the Promoting Positive Behaviour Policy)
- Good attendance is also rewarded and celebrated through monthly or termly rewards at assemblies and photographs shared on the school website. Rewards will include for pupils in Key Stage 3 'Passes for immediate entry into the canteen', in Key Stage 4, a draw for all pupils who have achieved 100% attendance going to Todds Leap and in Key Stage 5, 'Out of School for Lunch Passes.' (September 2017)

- Present visually monthly attendance bar-charts for each class for the Pastoral Notice-Boards (September 2017)
- Send an attendance flyer home at the start of every year highlighting the importance of good attendance and linking good attendance with attainment. Make flyers available at the PTM
- After the third day of a pupil's absence, form teachers will contact the home to discuss the child's absence and to heighten awareness of good attendance. (September 2017)
- During the CATs meeting in Year 11 between the pupil and form-teacher, attendance data from Key Stage 3 will be made available for discussion
- A review meeting is carried out with the Head of Year and EWO if attendance falls between 85% and 90%
- Regular reviews are carried out and meetings with parents are arranged where necessary
- A very good attendance record will merit a positive and supportive reference to future employers and other educational establishments.

Punctuality/Lateness

Holy Trinity College places a great deal of importance on the need for all pupils to be punctual and to arrive in school on time. It makes for a good start to the school day and does not interrupt the learning and teaching in the classroom. Poor punctuality has an impact on all other learners as the teacher is required to recap on missed learning for those who arrive late. This reduces learning time for the rest of the class.

Any pupil who arrives late to school and before 8.55am must immediately go to their Form Teacher to get registered as late. This will be recorded as a code **L** in Lesson Monitor. Pupils receive one behaviour point for lateness to school (8.45-8.55am).

Any pupil who arrives late to school after 8.55am must report to Reception to get signed in. The Vice-Principals monitor late-comers (after 8.55am,) and those who are late, without a valid excuse from the parent/guardian will be placed on the 'same-day after school detention' which is supervised by a member of the Senior Leadership Team.

Responding To Non-Attendance and Lateness

- If no phone call is received from a parent explaining an absence the automated 'Truancy Call' will be activated and will continue contacting the parents until the text is answered or a parent phones the school.
- **In cases of continued non-attendance or lateness the Education Welfare Officer will be alerted by the Year Tutor and home visits will follow.**

ParentApp

Parents can monitor their child's attendance to school daily and weekly through the ParentApp.

Appointments

Dental and medical appointments should be made after school hours. In an emergency only, a pupil may be granted permission by the Year Head to visit the doctor or dentist. Orthodontist appointments are permitted. In all cases, an appointment card and note (in pupil's Planner) requesting permission to leave, must be signed by **the Head of Year**. Parent/Guardian must collect the pupil and be responsible for him/her while he/she is off the school premises. The Parent/Guardian pupil must sign their child out at the Office and sign them in immediately on return to school

For safety and security reasons

Telephone requests – In an emergency a parent may phone the school requesting that their daughter be allowed out of school. Such calls will be checked before permission is given and the parents will be asked to collect their child from Reception and to complete the Signing Out Register.

Parental Request for a Family Holiday During Term-Time

Parents are requested **NOT** to book a family holiday during term-time. It is recognised that the pupil's learning would be disrupted and it can result in her falling behind in her studies.

Family holidays during term-time can only be granted in exceptional circumstances:

- The holiday is important for the well-being and cohesion of the family unit following a serious or terminal illness, bereavement or other traumatic event
- **All requests for a holiday during term-time must be submitted in writing to the Principal.**

It is our policy that it is not possible to provide the pupil with work during the period she will be on holiday. However, on the pupil's return to school, teachers will provide them with the work that they have missed. The pupil will be encouraged to work hard and to complete the additional work at home.

We adopt an 'Every Day Counts' Policy in school. A summary of the policy is provided below:

'EVERY DAY COUNTS'

We reinforce 'Every Day Counts' to promote good attendance.

If a pupil fails to attend school regularly, the following steps will be taken:

Step One: An absence generates a daily automated phone call from 'Truancy Call'.

Step Two: Form Teachers/Head of Year will contact parents to enquire about prolonged /irregular unexplained absences.

Step Three: The Head of Year will liaise with parents, pupils and the Educational Welfare Officer, At the end of each term the parents/guardians of pupils with an attendance of between 85% and 90% will be contacted by the Head of Key Stage.

Step Four: If a pupil's percentage attendance is 85% or below, the Education Welfare Officer will contact the parents/guardians.

**90% attendance sounds good and most parents would be very pleased if their son / daughter achieved this in an assessment.
However it means missing one whole day of school every fortnight.**

The VP will revise the policy and procedures in light of any further DE guidance and legislation as necessary and review it annually. This will be done in consultation with governors, staff, pupils, parents and the Education Welfare Service. On-going evaluation will ensure the effectiveness of this policy.
